02 Mobile Computer Training Program (MCTP)

MCTP brings digital literacy and IT education directly to government schools and colleges. With laptops, projectors, and trained instructors, we make sure even schools without labs gain access to modern technology.

12,000+ Students in 50+ Schools

Received their first hands-on computer experience.

60% Female Participation

Helping bridge the gender gap in digital literacy.

03 Reforms in Government Schools

Nayee Subah Foundation has adopted three government schools under the Sindh Government's Adopt-A-School Program (AASP). Through this initiative, NSF is dedicated to providing quality education & improved facilities, while advancing the program's mission of engaging the private sector & community partners to strengthen public education.

Our Support Includes

- » Facilitating digital learning through the use of projectors and laptops
- » Upgrading infrastructure to create a more conducive learning environment
- » Providing educational materials and essential supplies to students

04

Digital Learning Program in Government Schools

To expand access to technology-based education, NSF is actively conducting digital classes in 14 government schools across Districts **Sujawal, Badin, Thatta, Malir** & benefiting thousands of students through structured computer education and digital literacy training:

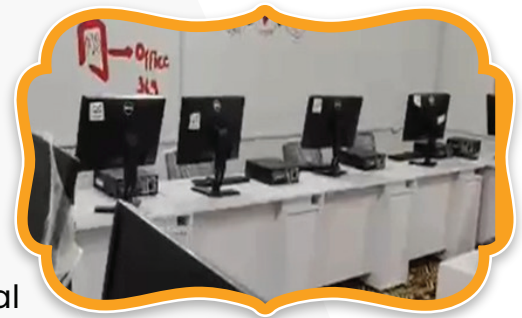

- » Govt. Girls School Golarchi, Badin
- » Govt. Boys School Haji Junejo, Golarchi, Badin
- » Govt. Boys School Pipri, Malir
- » Govt. Boys School Gagar, Malir
- » Govt. School Chatto Chand, Thatta
- » Govt. Girls School Sujawal
- » Govt. Boys School Khizerabad
- » Govt. Boys School Jhoke Sharif
- » Govt. Boys School Bello
- » Govt. Boys School Chuhar Jamali
- » Govt. Girls School Daro
- » Govt. Boys School Daro
- » Govt. Girls School Bathoro
- » Govt. Boys School Sujawal

Computer Labs Established

NSF has successfully established fully equipped computer laboratories in five government schools, enabling students to gain practical exposure to information technology and digital learning:

- ★ Government Girls School Golarchi, District Badin
- ★ Government Boys School Pipri, District Malir
- ★ Government School Chatto Chand, District Thatta
- ★ Government Boys School Bello, District Sujawal
- ★ Government Boys School Chuhar Jamali, District Sujawal

Digital Education & Youth Empowerment Initiatives

Nayee Subah Foundation (NSF) is committed to bridging the digital divide by providing access to technology, digital literacy, and skill development opportunities for students in underserved communities across Sindh.

05

Free Summer Camp Program

NSF's Free Summer Camp Program provides students with hands-on training in computer literacy, digital skills, and emerging technologies, empowering them with knowledge and confidence for a brighter future. The program is currently being conducted at:

District Sujawal & Thatta

- ✓ Mono Technical College Bathoro, District Sujawal
- ✓ Government School Bello, District Sujawal
- ✓ Government School Chatto Chand, District Thatta
- ✓ Government Boys School Jhoke Sharif, Sujawal
- ✓ Government Boys School Chuahar Jamali, Sujawal
- ✓ Government Boys & Girls School Daro, Sujawal
- ✓ Sarvech Sujawali Sindh Govt library, Sujawal

District Malir & Badin

- ✓ Government. Girls School Golarchi, District Badin
- ✓ Government. Boys School Haji Junejo, Golarchi, District Badin
- ✓ Government. Boys School Pipri, District Malir
- ✓ Government. Boys School Gagar, District Malir

Through these initiatives, Nayee Subah Foundation is creating sustainable pathways for digital inclusion, educational excellence, & youth empowerment, ensuring that students from underserved communities are equipped with the skills required to succeed in the modern digital world
